

MATICO EXTRACT

2 Fluid Ounces (60 ml)

Retail price: \$21.95

Description: Matico is a tropical, evergreen, shrubby tree that grows to the height of 6 to 7 m with lanceolate leaves that are 12 to 20 cm long. It is native to most all of tropical South America as well as Southern Mexico, the Caribbean, and much of tropical Latin America. For more complete information on this unique rainforest plant, please see the Raintree Nutrition internet website and the online [Tropical Plant Database](#).

Traditional Uses:* for digestive problems (vomiting, nausea, stomachaches, dyspepsia); as a carminative and stomachic to expel intestinal gas and aid digestion; as an antiseptic wound healer for cuts, scrapes, ulcers, boils, etc.; as a hemostat for internal bleeding (uterine, gastric, pulmonary); for colds, flu, coughs, bronchitis, pneumonia and other respiratory problems

Ingredients: 100% pure matico leaves (*Piper aduncum*) extracted in distilled water and vegetable glycerine. No chemical additives or preservatives are used. Concentration and extraction methods provide the equivalent of 500 mg matico leaves per milliliter of extract. This product is non-irradiated and non-fumigated. It is a wild harvested product—grown naturally in the Peruvian Amazon without any pesticides or fertilizers.

Suggested Use: Take 60 drops 2 - 3 times daily or as needed. Can also be applied topically to the skin if desired.

Contraindications: None reported.

Drug Interactions: None reported.

Clinical Documentation and Research:* This Raintree product has not been the subject of any clinical research. Available third-party documentation and clinical research on matico be found at the [Raintree website](#). A partial listing of the research on matico is shown below:

Cytotoxic & Antitumor Actions:

Orjala, J., et al. "Two chromenes and a prenylated benzoic acid derivative from *Piper aduncum*." *Phytochemistry*. 1993; 34(3): 813-818.

Orjala, J., et al. "Cytotoxic and antibacterial dihydrochalcones from *Piper aduncum*." *J. Nat. Prod.* 1994; 57(1): 18-26.

Orjala, J., et al. "Aduncamide, a cytotoxic and antibacterial beta-phenylethylamine-derived amide from *Piper aduncum*." *Nat. Prod. Lett.* 1993; 2(3): 231-236.

Antibacterial Actions:

Orjala, J., et al. "New monoterpene-substituted dihydrochalcones from *Piper aduncum*." *Helv. Chim. Acta* 1993; 76(4): 1481-1488.

Kloucek, P., et al. "Antibacterial screening of some Peruvian medicinal plants used in Calleria district." *J. Ethnopharmacol.* 2005 Jun; 99(2): 309-12.
